## 9/11

Two decades ago we all watched in horror the attacks of 9/11 on the World Trade Center, the Pentagon in Washington D.C. and Shanksville, Pennsylvania. Shock, sadness, fear, anger and loss were some of the emotions we felt that day. Still today we can recall exactly where we were and what we were doing. This emotional horror is embedded in our memories forever. But with prayer and the belief that God will triumph over evil we've been able to move on and rebuild. We all need to continue praying for peace. We came together as one on that fateful day and we learned a good lesson, that life is short and that there is no time for hate.
