

The Calling of Samuel
Sir Joshua Reynolds PRA (Plympton 1723 - London 1792)

Have you been called by God? How would you know it? Sometimes we sense something inside and say, oh it's just a thought, it could be someone else that influenced me, or maybe it's just a coincidence. But God always calls us from within, and we need to tune our senses to listen to Him. Scripture study, silent prayer, and life events will open us up to better hear the voice within. A spiritual director, confessor, or a good friend can also help us to clarify what we are hearing. Samuel hears God call him 3 times thinking it was a human voice: It was only the 4th time, after talking with Eli, that he learns to listen and respond, "speak Lord, your servant is listening."
